

## **NOTICE OF PROPOSED SOLE SOURCE PROCUREMENT**

**this is not a competitive bid/proposal**

The Utah Transit Authority (UTA) Procurement Policy provides that sole source procurements may be used only when the Award of a Contract is infeasible under other source selection methods, and at least one of the following circumstances applies: (a) The required goods or services are of a specialized nature requiring expertise that is only available from a single source; (b) The public exigency or emergency for the required goods or services will not permit a delay resulting from competitive solicitations; (c) After solicitations of a number of sources, competition is determined inadequate.

The UTA Purchasing Department has received a request to make the following Sole Source Procurement:

**Product and/or Service to be purchased: Light Rail Vehicle Structural Repair.**

**Contract Duration: 1/2026 – 12/2026 (Approximately)**

**Proposed Sole Source Supplier: Siemens**

**Estimated Total: NTE \$224,127.00**

**Sole Source Justification:** Siemens S70 Light Rail Vehicle. No competing light rail vehicle manufacturers structural design will integrate into our Siemens S70 LRVs.

Siemens is the only vendor that owns the proprietary designs, expertise and knowledge to accomplish this repair of the structural members of the vehicle as the original manufacturer of the vehicle and verify that the repairs bring the structure within original manufacturer specifications.
